MEDIA RELEASE #1 – SEA-Badminton participates in “Make your Move All Abilities Day”

On Sunday, 20 November 2022, SEA-Badminton represented Badminton Victoria in hosting the inclusive badminton stand at the City of Greater Dandenong’s “Make your Move All Abilities Day”.

The day was an amazing opportunity for disability athletes in the City of Greater Dandenong Community to experience wheelchair badminton, wheelchair tennis, wheelchair basketball and AFL wheelchair.

Councillor Lana Formoso, Deputy Mayor and future Mayor aspirant, opened proceedings with some inspirational words for the community and all those in attendance. To help promote the sport, she even had a hit with Mr Joseph Yeung, one of our assistant coaches, a privilege that wasn’t afforded to the other more popular sports in our community !
