## MEDIA RELEASE #5 – Former Chinese Player Has a Hit with SEA-Badminton Para-badminton Players

At a recent training session, SEA-Badminton players enjoyed the company of former Chinese badminton player Wei Shi Feng, who dropped into one of our training sessions for a hit with our Para-badminton players.

Everyone at the club enjoyed the surprise visit and we all valued the thoughts and advice that Wei Shi Feng had to offer, as well as seeing his lightning footwork and smooth technique on show.

A huge thank-you to the Friends of SEA-Badminton, in particular, Westwood Glory Pty Ltd, for organising the event !
