## MEDIA RELEASE #7 – SEA-Badminton celebrates 2-year anniversary of the All Abilities Badminton Program

On Wednesday, 23 February 2022, Badminton Victoria commenced the All Abilities Badminton Program at Springers Leisure Centre.

Two years on, the program continues to thrive and has grown from a short-term Badminton Victoria initiative to an ongoing weekly coaching program focussed on both senior para-badminton as well as junior badminton and development.

Continued thanks to all our supporters, including our amazing Head Coach, Michelle Be, who still recalls that very first session at the Springers Leisure Centre and observes how far the program has come in this time.
