MEDIA RELEASE #8 – All Abilities Player Selected for the Australian Paralympic Team

Last week, Paralympics Australia announced that Mischa Ginns, a frequent player at SEA-Badminton, will be representing Australia at the 2024 Paralympic Games in Paris later this year.

Mischa Ginns (along with Céline Vinot also from Victoria) was named as members of the Australian Paralympic Team by Chef de Mission Kate McLoughlin at a ceremony in Melbourne recently.

We congratulate Mischa on this incredible achievement and wish her all the best in these final few months of intense preparation for the pinnacle event of the sport.
